

GENESIS GV60

Overseas Genesis GV60 model shown

THE NEW GENESIS GV60

Plug into your senses and embrace the future of performance with the Genesis GV60, a pure electric coupé crossover that sets new benchmarks for luxury and design.

Sleekly sculpted and as elegant as it is athletic, Genesis's pioneering EV offers palpable power, safety, and a suite of next-generation technology.

It's a masterpiece of tomorrow that you can depend on today.

Overseas Genesis GV60 model shown

THE SHAPE OF TOMORROW

With its muscular proportions and strong stance, the GV60's silhouette hints at performance even before it delivers. Featuring a long wheelbase with short overhangs, it's both energetic and adventurous, and the most youthful expression of Genesis' elegant aesthetic.

INSPIRED BY SPACE

The GV60 showcases an array of intuitive next-generation technologies, while carrying its passengers in absolute comfort. From its facial recognition entry and fingerprint start, to air purification and ambient lighting modes, the interior is a study in intuitive integration, where thoughtful design elevates its capabilities.

ELECTRIC PERFORMANCE

The new GV60 is an emphatic argument for the future of performance, with as much as 360kW of combined all-electric power, and up to 700Nm of instant all-wheel-drive torque.

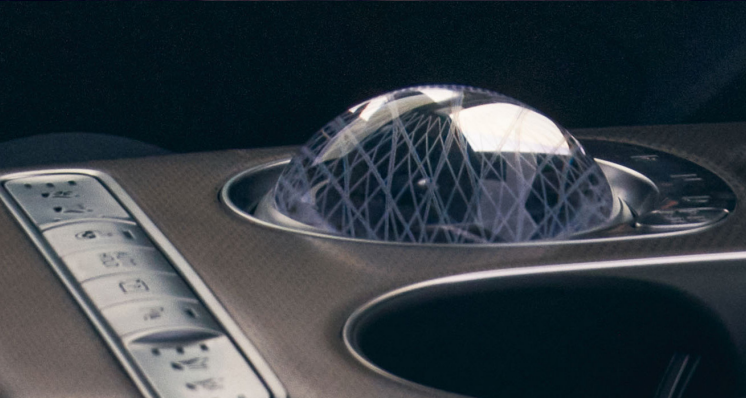

With an all-electric range of up to 470km and optimised fast-charging times as short as 18 minutes (from 10 - 80 percent¹), and a 0-100km/h sprint as fast as four seconds, the GV60 range is both potent and practical.

Model	GENESIS GV60 AWD	GENESIS GV60 Performance AWD
Maximum power (rear motor/front motor)	160/74kW	180/180kW (Boost), 160/160kW (without)
Torque	350/255Nm	350/350Nm
0-100km/h	5.5s	4.0s (Boost), 4.6s (without)
Combined	234kW/605Nm	360kW/700Nm (Boost), 320kW/605Nm (without)
Range	470km	466km

¹ Charging times based on using a 350kw Chargefox Ultra-rapid charger and requires a 3-phase power connection which is not a standard residential connection. Charging times may differ and depend on charger specifications and conditions* - confirm this is information is accurate.

CONNECT WITH YOUR CAR LIKE NEVER BEFORE⁴

Control is in your hands
Preset your GV60's climate-control settings from the Genesis Connected Services (GCS) app on your smartphone, pre-warming the cabin in winter or pre-cooling it in summer.

Technology that guides you
Discover the ability to send your destination to your GV60's navigation from your phone and to use real-time traffic information to better plan your trip.

Always up to date
GCS allows for remote diagnostics, as well as receiving certain Over-the-Air updates that will ensure your GV60 gets the latest software without having to visit a service centre⁵.

⁴ Remote features require compatible device and connectivity, only operate in accordance with local road rules and in safe conditions.
⁵ Requires Genesis Connected Services to be activated, device & app installation, third party info, mobile data, network reception and GPS signal to operate. Mobile usage at user's cost. Not available in areas not covered by the Optus 4G/3G network in Australia or if services are disabled or terminated. Features and app subject to change.

THE ULTIMATE OWNERSHIP EXPERIENCE

Your GV60 comes with a five-year, unlimited-kilometre warranty⁶ and five years of Premium Roadside Assistance, 24 hours a day, seven days a week⁷, but you will also enjoy the incredible Genesis to You⁸ experience.

When your vehicle is due for scheduled maintenance or warranty services, our Genesis Concierge Service will arrange for the pickup and delivery of your Genesis and a Genesis courtesy vehicle will be left at your disposal while the work is being done⁸.

That's the gift of time, and the ultimate in convenience.

⁶ New vehicles for private use only. Excludes vehicles used at any time for 'commercial application' for which a 5-year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms and conditions for details and other exclusions.
⁷ Roadside Assistance only available for vehicles (excluding rental buyers & taxis) that complete annual scheduled maintenance service organised by us. Terms, conditions and exclusions apply.
⁸ Service range is within 70km driving distance from Sydney, Melbourne or Brisbane CBDs. Available for the first owner of a New Genesis Vehicle, compliance plated Aug 1, 2020 onwards. Terms and conditions apply.
