## THE FUTURE OF FORM

Strength and sophistication come together in the new Electrified GV70, from its EV-exclusive Double Mesh G-Matrix Grille, to its Micro Lens Array (MLA) LED headlamps, complemented by its fastback silhouette. Confident and composed, it meets the moment with signature style and an unmistakable sense of occasion.

## DEFINED BY OPULENCE

A symphony of luxurious materials and minimalist design language, the cabin of the Electrified GV70 is an exercise in understated grandeur. Indulgently tactile, its array of intuitive and flawlessly integrated technology is elevated by clean lines and an unmatched appreciation of space.

# TAKE THE LEAD

With up to 320kW of power and 700Nm of instant all-wheel-drive torque, in boost mode, the Genesis Electrified GV70 offers effortless engagement and endless enthusiasm, whether it's for the next corner, a highway cruise or just the everyday commute. With Sport, Eco, Comfort, and Custom driving modes available and up to 462km\* in range, Genesis's perfectly balanced luxury SUV is built for all of tomorrow's journeys.

Model	GENESIS Electrified GV70
Maximum power & torque	320kW, 700Nm
Driven Wheels	AWD
Transmission	160kW Electric Motor (rr) + 160kW Electric Motor (fr)
Range	462km*
Battery	84kWh
0-100km/h	4.4 seconds <sup>1</sup>
Top speed	235 km/h <sup>2</sup>

<sup>1</sup> Whilst boost mode activated  
<sup>2</sup> Electronically limited

\* Figure based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) static laboratory combined average city and highway cycle test, which measure, energy consumption, range and emissions in passenger vehicles, designed to provide figures closer to real-world driving behaviour. The figures stated are only for the purposes of comparison amongst vehicles tested under the same testing procedures only. Real life driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.

## DRAMATIC AND DECISIVE

## THE ULTIMATE OWNERSHIP EXPERIENCE

Your Electrified GV70 comes with a five-year, unlimited-kilometre warranty<sup>9</sup> and five years of Premium Roadside Assistance, 24 hours a day, seven days a week<sup>10</sup>, but you will also enjoy the incredible Genesis to You<sup>11</sup> experience. When your vehicle is due for scheduled maintenance or warranty services, our Genesis Concierge Service will arrange for the pickup and delivery of your Genesis and a Genesis courtesy vehicle will be left at your disposal while the work is being done<sup>11</sup>. That's the gift of time, and the ultimate in convenience.

<sup>9</sup> 5-year unlimited kilometre warranty applies to new vehicles for private use only. 5 year / 130,000km (whichever occurs first) warranty applies to vehicles used at any time for 'commercial application'. Full warranty terms, conditions and exclusions [HERE](#).

<sup>10</sup> Roadside Assistance coverage varies between Genesis models, and not available for vehicles used as rental cars, taxis and/or rideshare. Roadside assistance coverage applies upon purchase of a new Genesis vehicle as follows:

(a) 5 years standard on Petrol/Diesel vehicles; plus, every annual scheduled service performed by Genesis Motors Australia or an authorised Genesis repairer will provide an additional 12-months coverage, each year after the initial 5 years, up to 10 years.  
(b) 10 years standard on all Electric vehicles.  
Terms, conditions and exclusions apply.

<sup>11</sup> "Genesis To You" benefits are available only for the first owner of new Genesis vehicles compliance plated Aug 1, 2020, onwards. Benefits only available within 70km driving distance from your nearest Genesis outlet. Vehicle pick-up/drop-off and loan car subject to availability and eligibility.
