DESIGNED TO THRILL

The new G70 embraces its performance through Genesis' Athletic Elegance design language, resulting in a luxury-sports sedan or shooting brake that's both daring and dynamic.

ALL ABOUT THE DRIVER

From supportive sports seats to driver-oriented displays and intuitive controls, the G70 cabin experience is designed to put you in complete control. Performance meets luxury here, with fine Nappa-leather seats, real aluminium highlights and technology to keep you connected.

EXCITEMENT AS STANDARD

The Genesis G70 makes every journey unforgettable, thanks to its potent 3.3-litre turbocharged V6 engine, unlocking exhilarating performance without ever sacrificing refinement. The G70 Shooting Brake gets its own unique powertrain, a 2.0-litre turbo-petrol that delivers both efficiency and excitement.

Effortless acceleration is joined by road-holding dynamics enhanced by electronically controlled suspension and a smooth, eight-speed automatic transmission.
