You are at the centre of everything we do and everything we believe in. Every one of our automobiles has been finely crafted with your exceptionally high standards in mind. And our uniquely personalized ownership experience, which comes to you at your convenience, has been created to exceed your expectations of premium service.
GENESIS AT HOME

Genesis is unlike anything you’ve experienced before. We are the first automotive brand to recognize that your time and convenience are the ultimate luxuries. Which is why we insist on coming to you, at your convenience. We call this Genesis at Home — a personalized journey that begins with you, where you are.

TEST DRIVE | WE COME TO YOU

The Genesis experience begins right at your front door. Our Genesis Experience Manager will meet you at your home or office with the Genesis model of your choice for a product demonstration and test drive.

PURCHASE | WE COME TO YOU

Through genesis.ca, you can personally configure your model online, receive an appraisal for a trade-in and complete a credit application. Then, purchase your new Genesis vehicle for delivery at a location of your choosing.

MAINTENANCE | WE COME TO YOU

Once you become a Genesis owner, our dedicated valet service will come and pick up your vehicle for its scheduled maintenance needs, leaving you with a Genesis courtesy vehicle so you will never miss a step in your busy day.

YOUR GENESIS OWNERSHIP EXPERIENCE INCLUDES:

Complimentary Scheduled Maintenance*2

At-Home Valet with Courtesy Vehicle Service*3

Comprehensive Limited Warranty*4

Multimedia & Navigation Map Updates**5

Genesis Connected Services**6

24/7 Enhanced Roadside Assistance**7

GENESIS G70

There’s no telling what the all-new Genesis G70 might one day be to you. Maybe it will be your 365-horsepower escape pod, one that holds you as firmly as it holds the road. Perhaps it will become your classically proportioned personal calling card, with a swept-back roofline and eager, wide and low stance. It could be your luxury command centre, putting cutting-edge technology and leather-wrapped comfort at your fingertips. Or it may simply be all of the above, as you might expect from a compact luxury sport sedan designed to make the most of every drive.

Download the augmented reality (AR) smartphone application. Scan images on pages that feature this icon to get more detailed information and images of G70 in AR.
CLASSICS OFTEN TAKE TIME TO BE APPRECIATED. PERHAPS 4.7 SECONDS WILL SUFFICE?
Refined performance is the mantra of the G70. Not that you’d know it from the growl of its available 3.3L twin-turbocharged V6 and its sub-five-second 0-to-100. Striking the right balance, however, has its rewards. On one side of the equation are 365 horsepower and 376 lb-ft of torque for rapid acceleration. On the other side is a rigid Nürburgring-tuned chassis and a Brembo® braking system for keen responsiveness. Underlying everything are standard all-wheel drive and an available limited-slip differential that provide confidence-inspiring traction in all weather conditions. Plus, another sort of refinement — a Genesis interior thoughtfully wrapping you in fine quilted leather and brushed aluminum.
TURNS OUT, THE LAP OF LUXURY IS TURBOCHARGED.

For a vehicle that doesn’t pull punches in the corners, the G70 sure knows how to treat you with kid gloves. When you nestle into the quilted leather seat and grab the wheel, you feel instantly at home. Elegant contrast stitching and brushed aluminum accents highlight the cabin’s fluid design lines. The way the centre console wraps around you makes climate and audio adjustments effortless. And the high-mounted touch-screen ensures that with a flick of the eye and a touch of a finger you can optimize the cabin to your needs. Which comes in handy, since you have quite the drive to enjoy, after all.
GENESIS G80

The G80 may just be the luxury vehicle that understands you best. Its innovative design is unreservedly devoted to driver satisfaction. A distinctive grille and sleek body lines create an elegantly inviting silhouette. Your choice of three engines supplies the freedom and exhilaration for your journey. And a driver-focused cockpit built around a 16-way power-adjustable seat ensures you feel comfortable, pampered and in command. If you’re drawn to the call of the open road, the G80 most definitely speaks your language.
IT’S SIMPLY NOT PRACTICAL TO BE TOO PRACTICAL.

The G80 is proof positive of the joys in going beyond merely getting from A to B. A good corner or two will have you singing the praises of its multi-link independent suspension with available continuous damping control — though perhaps not in so many words. Nevertheless, from the standard panoramic roof to the rich combination of wood, aluminum and leather finishes, the G80 is a luxurious homage to the beauty of the drive. And with its standard Lexicon® audio system (configured with 14 or 17 speakers) the G80 sounds beautiful, too. In the end, you may find that venturing past the practical has never seemed so sensible.
You wouldn’t be the first driver behind the wheel of a G80 Sport to ignore a short cut. It’s to be expected. A 365-horsepower twin-turbocharged 3.3L V6 with put-you-in-your-seat mid-range torque can prove to be quite captivating. With its wide air intakes and dark chrome grille, the G80 Sport is as unmistakable as it is seductive. Underneath its sharp exterior is a barrage of performance enhancements, including sport-tuned suspension and larger rear brake rotors. A rear-biased all-wheel drive system helpfully provides poise and confidence no matter the environment. Inside, Nappa leather seats with larger side bolsters keep you in place, and a smaller-diameter sport steering wheel with ergonomically placed shift paddles keeps you in control. Time itself, however, may prove difficult to keep your grip on.
True luxury is about the way you feel when you encounter it. The precise aerodynamics that provide the G90’s characteristic streamlined physique also contribute to its strikingly quiet interior. That added attention to noise reduction can prove to be of outsized importance when a 420-horsepower V8 is powering your G90 down the highway. Such attention to detail ultimately leads to luxuriously intuitive design. And, as with most great performances, the G90 makes it seem effortless.
Is it any wonder that time flies when you’re in a G90? The 22-way power-adjustable driver’s seat was benchmarked against designer armchairs and luxury airline seating. Its spacious cabin of natural open-pore wood and quilted Nappa leather features double soundproof glass and triple-sealed doors. Don’t worry — you may not hear the road, but you’ll still be able to respond to it. The Genesis Adaptive Control Suspension adjusts damping response in real time based on road conditions or driver input, striking the ideal balance between comfort and performance. In the end, reasons to exit your G90 may prove hard to find. Though having a closer look at the unique 19” staggered-width dish type wheels does come to mind.
For Genesis, state-of-the-art safety isn't a choice. That's why all Genesis models feature Genesis Smart Sense™, a comprehensive suite of active driver assistance features. Not only do these features cover the full spectrum of safety — helping to keep the driver alert and aware of their surroundings while monitoring the road ahead for potentially unseen hazards — but all of them also come standard.

HIGH BEAM ASSIST
Using the front-mounted camera and light detection technology, High Beam Assist automatically switches between high beams and low beams when traffic is detected ahead.

LED HEADLIGHTS WITH ADAPTIVE CORNERING SYSTEM
The available LED headlights with Adaptive Cornering System can swivel based on steering input, shining into the darkness around the next bend.

FORWARD COLLISION-AVOIDANCE ASSIST
Forward Collision-Avoidance Assist® uses a forward camera and radar sensors to detect rapidly closing distance between your vehicle and the vehicle ahead. If a potential forward collision is detected, warning notifications alert the driver. The system can provide full braking assistance to help avoid an imminent collision at speeds between 8 and 75 kilometres per hour for vehicles or 8 and 65 kilometres per hour for pedestrians.
LANE KEEP ASSIST
Drift outside your lane without signaling and the Lane Keep Assist system first warns you with haptic vibrations through the steering wheel, as well as audible and visual cues. If the vehicle continues to approach the edge of its current lane, Lane Keep Assist can provide steering assistance to bring the vehicle back on course.

ADAPTIVE CRUISE CONTROL
Adaptive Cruise Control with stop-and-go capability carefully adjusts your preset speed and distance from the vehicle ahead. It will even come to a full stop and then start again, without driver input, when the vehicle has been stopped for less than three seconds.

The Genesis G70, G80 and G90 have all been awarded the Insurance Institute for Highway Safety’s Top Safety Pick+ award for 2019. Please visit www.iihs.org for information on scoring.
ALL-WHEEL DRIVE
To ensure they can tackle Canada’s toughest driving conditions, Genesis models feature a highly advanced All-Wheel Drive system as standard equipment. This rear-biased system was rigorously tested in the world’s most demanding driving environments, including Germany’s famed Nürburgring Nordschleife racing circuit. With superior control and stability in all weather conditions, the Genesis All-Wheel Drive system can adjust front-to-rear torque distribution based in real time and the drive mode selected.

DRIVE MODE SELECT
Genesis vehicles offer a range of driver-selectable modes to tailor control and comfort based on your driving environment. Throttle response, steering weight, AWD torque distribution and even the Genesis Adaptive Control Suspension (if equipped) can be adjusted to your preference. G70 and G90 models also include a custom mode allowing the driver to mix-and-match their favourite settings.

TOOLS OF THE TRADE
Genesis models come equipped with a range of standard and available performance features designed to enhance driver confidence. The G80 and G90 feature powerful 4-piston fixed front brake calipers, with G70 Sport models incorporating a high-performance Brembo® braking system that also adds 2-piston fixed rear calipers. An available Genesis Adaptive Control Suspension can alter damping response based on road conditions or driver input. Meanwhile, Continental® and Michelin® tires ensure an optimal balance of quiet operation and confident grip.

INFORMATION AT A GLANCE
All Genesis vehicles feature clear, easy-to-read instruments incorporating a multi-function TFT LCD display. A wide range of information — from speed to trip information to system status — can be accessed by the driver at a glance. The same meticulous approach to ergonomics can be found throughout the interior of each Genesis model, where our designers have worked tirelessly to hone every interface between driver and machine.
CONCERT-QUALITY AUDIO
The luxurious cabin of Genesis models can be complemented by an impressive available Lexicon® surround sound audio system adorned with metal laser-cut grilles. The system boasts Quantum Logic® surround sound and Clari-Fi™ music restoration software that rebuilds details lost in compressed audio files. The result is a dynamically rich and fully satisfying listening experience that recreates the ambience of a recorded performance space.

MULTIPLE PERSPECTIVES
Get an expanded view of what’s around you with the available advanced Multi-View Camera System. See your car in multiple perspectives, including an aerial view of the vehicle, for a comprehensive look at the surrounding environment.

HEADS UP
An available Head-Up Display helps reduce distraction by displaying critical driving information on the windshield, directly below the driver’s line of sight. Information includes speed, navigation directions and Adaptive Cruise Control settings, as well as indicators from Blind-Spot Collision Warning, Lane Keep Assist and Forward Collision-Avoidance Assist.

SEAMLESS CONNECTIVITY
Genesis models come equipped with a range of high-resolution central displays bringing together a long list of impressive information- and entertainment-based features. All Genesis models feature Apple CarPlay™ and Android Auto™, allowing seamless integration of useful smartphone functions.

With standard Genesis Connected Services®, you’re linked to information and services like Enhanced Roadside Assistance, Collision Notification, vehicle diagnostics, maintenance reminders and more. Remote vehicle functions include Remote Start with Climate Control and engine timer, Remote Stop, Remote Vehicle lock or unlock along with remote control of the horn and lights.

## GENESIS G70 FEATURES

### STEERING WHEEL
- **Leather-wrapped 3-spoke Sport steering wheel with shift paddles**: Standard
- **Heated steering wheel**: Standard
- **Audio, Bluetooth®, cruise control and voice command controls**: Standard
- **Manual tilt-and-telescopic adjustment**: Standard
- **Power tilt-and-telescopic adjustment**: Standard

### MULTI MEDIA
- **Genesis Connected Services**: Standard
- **Apple CarPlay™, Android Auto™, USB (x3) and auxiliary connectivity**: Standard
- **Bluetooth® hands-free phone system and audio streaming**: Standard
- **8.0” touch-screen display audio system**: Standard
- **8.0” touch-screen navigation system**: Standard
- **6-speaker AM/FM/XM/MP3 audio system**: Standard
- **Lexicon® AM/FM/XM/MP3 premium sound audio system with 15 speakers and Quantum Logic surround sound**: Standard

### CONVENIENCE FEATURES
- **Electronic Parking Brake (EPB) with Auto Vehicle Hold (AVH)**: Standard
- **Adaptive Cruise Control (ACC) with stop-and-go capability**: Standard
- **Manual parking brake (leather-wrapped)**: Standard
- **Cruise control**: Standard
- **Wide sunroof (power tilt and slide with one-touch operation)**: Standard
- **Power windows with auto up/down and pinch protection (front/rear)**: Standard
- **Drive Mode Select (DMS) controlling response of steering, engine, transmission and GACS suspension (3.3T Sport only)**: Standard
- **Proximity-activated hands-free trunk opening (**“Smart Trunk”**)**: Standard
- **Electrochromic auto-dimming rearview mirror with integrated HomeLink® transceiver and compass**: Standard
- **Rearview camera**: Standard
- **Mult-function trip computer with digital speedometer**: Standard
- **Front console centre armrest with storage bin**: Standard
- **Centre console with mobile phone storage tray, dual cupholders and dual 12-volt outlets**: Standard
- **Driver’s Integrated Memory System (IMS) for seat and mirror positions**: Standard
- **Driver’s Integrated Memory System (IMS) for seat, mirror and steering wheel positions**: Standard
- **Rear parking assistance sensors**: Standard
- **Wireless charging pad (Qi standard)**: Standard
- **Multi-View Camera System (MVC5)**: Standard
- **Power trunk lid with proximity-activated hands-free opening**: Standard

### INTERIOR TRIM
- **Metal door scuff plates**: Standard
- **Front sun visors with illuminated vanity mirrors and extensions**: Standard
- **Genuine aluminum trim**: Standard
- **Cloth headliner**: Standard
- **Microfibre suede headliner**: Standard

### INSTRUMENTATION
- **Adjustable illumination level**: Standard
- **7.0” TFT LCD instrument panel display**: Standard
- **Head-Up Display (HUD — settings included in Driver’s Integrated Memory System)**: Standard

### HVAC
- **Air conditioning with auto-defogging system**: Standard
- **Dual-zone automatic climate control**: Standard
- **Rear seat HVAC ducts (mounted in centre console)**: Standard
- **Rear window defroster with timer**: Standard

### INTERIOR LIGHTING
- **LED overhead console light**: Standard
- **LED front map lights**: Standard
- **LED rear reading lights**: Standard

### RESTRAINT SYSTEMS
- **Airbags (7) — driver’s knee (1), front impact (2), front seat-mounted side impact (2), front/rear side curtains (2)**: Standard
- **Front and rear outboard seatbelt pre-tensioners and force limiters**: Standard
- **LATCH lower anchors and upper tether anchors**: Standard
- **Anti-whiplash front headrests**: Standard

### DRIVING ASSISTANCE SYSTEMS
- **Electronic Stability Control (ESC) with Traction Control System (TCS)**: Standard
- **Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA)**: Standard
- **Blind-Spot Collision Warning (BCW) with Lane Change Assist (LCA)**: Standard
- **Rear Cross-traffic Collision Warning (RCCW)**: Standard
- **Driver Attention Warning (DAW)**: Standard
- **Lane Keep Assist (LKA) with Lane Departure Warning (LDW)**: Standard
- **Forward Collision-Avoidance Assist (FCA) with Pedestrian Detection**: Standard

GENESIS G90 FEATURES

● Standard ○ Optional

POWERTRAIN

ENGINE
5.0L DOHC 32-valve V8 (420hp; 383 lb-ft) [Premium fuel] ●

DRIVE CONFIGURATION
HTRAC™ All-Wheel Drive (AWD) ●

TRANSMISSION TYPE
8-speed electronically-controlled automatic with overdrive lock-up torque converter and SHIFTRONIC® manual mode with wheel-mounted shift paddles ●

WHEELS AND TIRES
G-Matrix 19” staggered-width aluminum alloy wheels with all-season tires (P245/45R19 front, P275/40R19 rear) ●
Temporary spare tire ●
Tire Pressure Monitoring System (TPMS) ●

SUSPENSION
5-link independent Genesis Adaptive Control Suspension (GACS) ●

EXTERIOR LIGHTING
Quad-Lamp LED headlights with Adaptive Cornering System (ACS) ●
Automatic headlights ●
LED Daytime Running Lights (DRL) ●
LED tail lights ●
LED reverse light guides ●
LED side repeaters mounted in fender vents ●
LED license plate illumination ●
Mirror-mounted welcome lights with “Genesis” logo projection ●
High Beam Assist (HBA); automatically deactivates high beams when traffic is detected ahead ●

INTERIOR

Crest grille with chrome G-Matrix pattern ●
Chrome-accented door handles ●
Piano black B-pillars ●
Lower chrome side moulding ●
Chrome beltline and window mouldings ●
Dual exhaust outlets integrated into rear bumper ●
SiriusXM™ shark-fin antenna ●

OUTSIDE MIRRORS
Power-adjustable, power-folding ●
Heated ●
Electrochromic auto-dimming ●
Tilt down when in reverse (side selection required) ●
Included in driver’s Integrated Memory System (IMS) ●

GLASS
Solar control glass ●
Acoustically laminated glass ●

WINDSHIELD WIPERS
Speed-sensitive front windshield wipers with 2 speeds and variable intermittent settings ●
Rain-sensing function ●
Auto-defogging windshield with humidity sensor ●
Windshield wiper deicer ●

SEATING (FRONT)
Quilted Nappa leather seating surfaces ●
22-way power-adjustable driver’s seat ●
16-way power-adjustable front passenger’s seat ●
Heated front seats ●
Ventilated front seats ●

SEATING (REAR)
Quilted Nappa leather seating surfaces ●
Heated rear seats (outboard seats) ●
Ventilated rear seats (outboard seats) ●
Rear seat pass-through opening ●
14-way power-adjustable right rear outboard seat ●
12-way power-adjustable left rear outboard seat ●

STEERING WHEEL
Leather-wrapped 4-spoke steering wheel with shift paddles ●
Audio, Bluetooth®, cruise control, voice command and vehicle info controls ●
Power tilt-and-telescopic adjustment (with memory) ●
Heated (2 settings) with 30-minute timer ●
Haptic feedback (linked to select Smart Sense functions) ●

MULTIMEDIA
17-speaker Lexicon® AM/FM/SiriusXM™/DVD/MP3 surround sound audio system (900 watts, 12 channels) ●
Quantum Logic Surround (QLS) and Clari-fi™ Music Restoration Technology ●
12.3” touch-screen navigation system with 720p high-definition display ●
Driver Information System (DIS) with multimedia controller ●
Wireless device charging (front — Qi standard) ●
Apple CarPlay®, Android Auto®, USB (x3) and auxiliary connectivity ●
Rear seat USB charging port (mounted in rear centre console) ●
Bluetooth® hands-free phone system ●
Speed-sensitive volume control ●
Genesis Connected Services ●
Rear seat entertainment system with dual 10.3” seatback-mounted high-definition displays ○

GENESIS G90 FEATURES | 35
### GENESIS G90 FEATURES

**CONVENIENCE FEATURES**

- Power windows with auto up/down and pinch protection (all windows)
- Power door locks
- Power door latch system (pulls door shut once it touches the latch)
- Power-operated rear side window sun shades
- Sunroof (power tilt and slide with one-touch operation)
- Proximity keyless entry with push-button ignition
- Power trunk lid with hands-free proximity opening
- Electrochromic auto-dimming rear-view mirror with integrated HomeLink® transceiver and compass
- Front console centre armrest with storage box
- Centre console with mobile phone storage/charging tray, dual cupholders and dual 12-volt outlets
- Four assist grips and coat hangers
- Locking glovebox with damped operation
- Cargo net
- Drive Mode Select (DMS)
- Driver’s Integrated Memory System (IMS) for seat, outside mirrors, steering wheel and Head-Up Display (HUD) positions (3 memory settings)
- Front passenger’s Integrated Memory System (IMS) for seat position (2 memory settings)
- Integrated Memory System (IMS) for outboard rear seats (2 memory settings each)
- Illuminated rear seat vanity mirrors
- Electronic Parking Brake (EPB) with Auto Vehicle Hold (AVH)
- Blind-Spot View Monitor (BVM)
- Adaptive Cruise Control (ACC) with stop-and-go capability
- Lane Follow Assist (LFA)
- Highway Driving Assist (HDA)

**INTERIOR**

- Leather-wrapped dashboard with contrast piping and stitching
- Leather door trim inserts, armrests
- Matte silver interior door handles
- Front sun visors with illuminated vanity mirrors and extensions
- Premium cut-pile carpeting
- Open pore natural wood trim (centre console, doors, dashboard, back of front seats, rear console)
- Genesis door sill plates, front and rear
- Microfibre suede headliner

**INSTRUMENTATION**

- Electroluminescent analog speedometer, tachometer, fuel level, coolant temperature, and clock
- 7.0” TFT LCD instrument panel display with multi-function trip computer
- Head-Up Display (HUD)

**HVC**

- Three-zone automatic temperature control (driver/passenger/rear compartment)
- Smart ventilation
- Dual mode front vent & fan speed control with CO2 sensor
- Air quality system with cabin air filter
- Rear zone HVAC control (console-mounted)
- Rear seat heater ducts (B-pillar and centre console-mounted)

**INTERIOR LIGHTING**

- Interior ambient lighting (adjustable — 7 colours)
- LED overhead console light
- LED front map lights
- LED rear reading lights
- LED glove compartment lighting
- LED door handle illumination
- Illuminated push-button start

**RESTRAINT SYSTEMS**

- Airbags (10) — front impact (2), front knee (2), front seat-mounted side impact (2), rear seat-mounted side impact (2), front/rear side curtains (2)
- Adjustable front seat shoulder belt anchors
- Front and rear outboard seatbelt pre-tensioners and force limiters
- LATCH lower anchors and upper tether anchors
- Anti-whiplash front head restraints with power controls
- Energy absorbing front seats
- Pre-Safety seatbelt

**ACTIVE SAFETY**

- Vehicle Stability Management (VSM)
- Electronic Stability Control (ESC) with Traction Control System (TCS)
- Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA)
- Forward Collision-Avoidance Assist (FCA) with Pedestrian and Cyclist Detection
- Rear Collision-Avoidance Assist (RCA)
- Blind-Spot Collision Avoidance Assist (BDA) with Lane Change Assist (LCA)
- Lane Keep Assist (LKA) with Lane Departure Warning (LDW)
are only offered in Canada. Some limitations apply. See an authorized Genesis distributor for complete details.

The Complimentary Scheduled Maintenance covers all regular maintenance as described in the Service Passport, including for example, Fully Synthetic oil, oil filter, engine air filter, cabin air filter, tire rotation, and regular inspection. The plan does not include repair or maintenance of parts that experience wear and tear, such as tires, brake pads, rotors, windshield wipers, etc., and other repairs that may be identified in the regular inspection performed as part of the plan. Plan covers regular maintenance based on normal driving conditions which are based on 12,000km / 10,000km or 1 Year depending on your model (refer to pages 19-22 of the Service Passport).

High frequency intervals are not required or supported by Genesis Motors Canada. Genesis Courtesy vehicles will be provided to customers for all regular maintenance and warranty work. Pickup & Delivery service is available for Manufacturers warranty & scheduled maintenance. Genesis Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. Refer to the Service Passport for complete details on Genesis Warranties. Map updates will be provided at No Charge for 5 Years/100,000km, whichever comes first. Customers will have the option of either downloading the updated software directly or having the updates done by your distributor in conjunction with your scheduled maintenance. Includes up to 2 updates per year (maximum of 10 updates). Only available on specific models/trims. Genesis Connected Services includes 5 years of service without charge. Genesis Connected Services is available for new vehicle purchases and leases subject to the Genesis Connected Services subscription terms and conditions. Only use Genesis Connected Services and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications, and fees may vary by model and are subject to change. Some limitations apply. For more on details and limitations, please refer to the Genesis Connected Services Agreement – Terms and Conditions or your Genesis distributor. The Genesis 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. Forward Collision-Avoidance Assist (FCA) is designed to detect vehicles that are directly in front of the vehicle. FCA will not detect all vehicles and objects. FCA may not work on winding or hilly roads, during certain weather conditions such as rain, snow, fog and any other times of limited visibility. FCA initiates full braking at speeds between 8 and 75 km/h (vehicle detection) or 8 and 65 km/h (pedestrian detection). FCA will not detect all pedestrians under certain conditions. See Owner’s Manual for detailed descriptions of example conditions in which FCA may not detect a pedestrian. FCA is not a substitute for safe driving. Always check your surroundings when driving. See Owner’s Manual for further details and limitations. Adaptive Cruise Control (ACC) with stop/start capability is not a collision-avoidance or warning device. ACC is for highway use only and should not be used in poor weather, heavy or varying traffic, or on winding or slippery roads. Driver remains responsible to slow or stop the vehicle to avoid a collision. Acceleration after the vehicle comes to a complete stop will only occur when the vehicle has been stopped for less than three seconds. See Owner’s Manual for further details and limitations. Applies to MY19 Genesis G70, G80 and G90 models. Vehicles must be equipped with LED headlights with Adaptive Cornering System to qualify.
