# GENESIS

## IT'S ABOUT TIME

For us, there is nothing more precious than your time. That's why we have designed an ownership experience that makes owning a Genesis effortless. With an ethos of care rooted in the Korean principle of son-nim (손님), we consider every customer to be our guest. From your first contact with the world of Genesis to the moment we deliver your new car to your home, we want everything to be hassle-free. Why?

Because we believe that simplicity is the ultimate sophistication.

## EMBARK ON A NEW CHAPTER IN THE GENESIS JOURNEY

As the name implies, Genesis stands for new beginnings. Born in 2008 as Korea's first globally acclaimed luxury saloon, it's now time for the next chapter in the Genesis story – a chapter that sets a new benchmark for what it means to own a luxury vehicle. A chapter that focuses on rethinking the ownership experience so that you can spend all your time enjoying the drive. From a Genesis Personal Assistant to accompany you along your personal Genesis journey to a comprehensive 5 year care plan and a variety of ownership models, we offer peace of mind as standard. And best of all? We come to you.

This is what we call The Genesis Difference.

# SEE ATHLETIC ELEGANCE COME TO LIFE

A powerful philosophy underpins the design of all our models: Athletic Elegance, the fine balance between the aesthetic and the dynamic.

Influenced by Korean design, Genesis demonstrates a design language that is in harmony with function and centred around your needs. Distinctive exterior sculpted features such as the side profile's sweeping Parabolic Line and the iconic two-lines design set Genesis apart. The bold Crest Grille and unique Quad Lamps evoke the Genesis emblem and complete the iconic look.

The timeless interior design follows our white space philosophy. It creates a harmonious space that offers a luxurious balance of minimalism and innovation. In essence, it has everything you need for a safe, comfortable and enjoyable ride while still remaining calm and uncluttered.

# THE GENESIS DIFFERENCE: MORE THAN A CAR. A SIMPLER WAY OF LIFE.

of sitting in a cockpit, ready for take-off. And with 40 per cent more boot space than the new G70 Saloon as well as 4:2:4 folding rear seats, you'll find loading luggage of various sizes absolutely no problem.
