THOROUGHLY INSPECTED FOR YOUR DRIVING PLEASURE.

Genesis retailers ensure that vehicles meet our high program standards, pass a comprehensive inspection, and are eligible to become Genesis Certified Pre-Owned.

To be eligible to be certified, all vehicles must be 5 model years or newer with less than 60,000 miles. Vehicles must also have a non-branded title with no structural damage indicated as verified by a CARFAX® Vehicle History Report™.

When you choose a Certified Pre-Owned Genesis, you will receive a meticulously inspected, refined, and advanced automobile, now with your peace in mind.

THE GENESIS 191-POINT INSPECTION.

With 191 checkpoints, every Genesis Certified Pre-Owned vehicle has an assurance of quality. Maintenance services are performed as necessary by specially-trained Genesis retailer technicians to bring the vehicle up-to-date with checks made to all vital fluids, tire tread depth, and brake pad thickness. Any component that does not meet Genesis CPO standards is reconditioned or repaired, and any component that cannot be repaired is replaced.
