This document must be prepared on letterhead by a licensed, certified medical or medical-related professional.
- 3) The mobility equipment must be installed by an authorized Adaptive Equipment Company NOT a Genesis dealership within 6 months of the vehicle purchase or lease.
- 4) Damage caused by unapproved or improperly installed adaptive equipment, alert hearing devices, and accessories will not be covered under the Genesis new-car warranty. Owners should refer to the Genesis Warranty and Service booklet for additional warranty information.
- 5) Labor for equipment transferred from the old vehicle into the new Genesis vehicle is only eligible when the cost of the labor is clearly stated in the invoice from the adaptive equipment company.
- 6) Genuine Genesis accessories are NOT eligible for reimbursement.
